Introduction

Bringing together the world's lawyers

For over 85 years, the Union Internationale des Avocats (UIA - International Association of Lawyers) has been defending the legal profession and facilitating international contacts, cooperation and the exchange of knowledge among lawyers, while respecting their cultural and professional diversity.

Today, the UIA brings together several thousand members – lawyers or law professionals – and hundreds of bars, federations and associations.

Join the UIA and become a member of the world's strongest network of lawyers

- You will participate in the work of the UIA Commissions in Business Law, Human Rights and General Practice and share your experience with that of professionals from over 110 countries.
- You will also be able to join forces with the UIA, which, each year, provides its support to lawyers who cannot freely practise their profession. Everywhere in the world where rights of defence are threatened or the proper administration of justice is hindered, the UIA will make your voice heard.

The **World Forum of Mediation Centres** was created in 2001 by the Mediation and Conflict Prevention Commission of the UIA. It brings together not only the most important commercial mediation practitioners and ADR centres from around the world, with managers, academics, teachers, trainers, young practitioners, and all those interested in learning more about mediation.

The Forum takes place every 9 months in different countries around the world. It fosters the exchange of views on the development of ADR, enhancing knowledge, and best practices, giving new ideas, ensuring the best understanding of ADR, and learning from other cultures.

The meeting in Singapore will be the 24th since the creation of the Forum.

This meeting Forum will again be exceptional. Singapore is the place to go for learning about mediation. Besides, the city of Singapore is fantastic. The various sessions of the Forum will be stimulating and attractive, bringing together a new generation of young mediators and discussing marketing of mediation/mediators, mediation principles and negotiating contract practice, confidentiality issues, European and Asian views, etc.

Don't miss this opportunity to learn and enhance your practice with your mediator colleagues.

The Singapore Forum will be an unforgettable international event. Practitioners from the USA, Australia, China, Africa and Europe have already confirmed their participation.

Mark your diaries now, save the dates and make sure to register!
